Dear Parent/Carer

We would like to take this opportunity to wish you a very Happy New Year. We hope you have enjoyed a restful break.

We hope too, that students are ready for the new term and the positive challenges ahead. We have made a number of improvements as an Academy since September and working together with students and parents/carers, we look forward to developing further.

For Year 8 this time of year is an excellent opportunity to build on the skills and experiences gained since September and to continue to develop both academically and socially within the Academy. Year 8 is such an important year for students' development and they should aim to be role models for others in the Academy.

We look forward to working with you over the coming weeks and months. Should you have any questions or concerns, please do not hesitate to contact us at the Academy.

Yours sincerely
