Dear Parent/Carer

We would like to take this opportunity to wish you a very Happy New Year. We hope you have enjoyed a restful break.

We hope too, that students are ready for the new term and the positive challenges ahead. We have made a number of improvements as an Academy since September and working together with students and parents/carers, we look forward to developing further.

For Year 11 this time of year is a critical period, with attention turning to the forthcoming Trial Examination period. Students need to be revising hard for these examinations, so that they can receive meaningful feedback from their teachers on areas of strength and areas for development. Attention will then soon start turning to the final examinations, as well as Post-16 preparations.

We look forward to working with you over the coming weeks and months. Should you have any questions or concerns, please do not hesitate to contact us at the Academy.

Yours sincerely
